**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner (Lic. contractor) who supports broadband competition. I choose a competitive provider because they are local and give me excellent customer service. I do not want large companies implementing price hikes that will increase the cost of internet and telephone services. Thank you for listening.
